SENATOR BURBACH: Mr. President and members of the Legislature, we have a little unusual fete happening today. We have in our crowd, in our membership, a man who has served 25 continuous years as a member of this body. He is not exactly an old man but he is enjoying and telling us today, or at least his aide, Jackie, is recognizing the ability of her boss and a member of this Legislature. Jackie has made a cake in honor of George Syas, Senator Syas' birthday and also we want to recognize him to be the dean of all deans. Sometimes he is referred to as the dean of the Omaha delegation. That would let me be the dean of the rural areas but he fights that. He says he is dean of all deans. So let's recognize George by saying Happy Birthday to him.
